

Piedmont Baseball League

Mission Statement

Purpose

The purpose of the Piedmont Baseball League is to provide recreational baseball and softball programs that promotes the ideals of good sportsmanship, honesty, loyalty, and respect for authority for Hockessin-area children. The league shall make it possible for each child to realize his or her individual athletic potential at any level of competition.

Core Values and Beliefs

- We value above all the safety and well being of the children in our league.
- We are committed to the highest standards of ethics and integrity for our adult leaders. They will at all times exhibit and model these values.
- Our adult leaders will have the necessary knowledge and equipment to add value to the learning process and the playing experience of all league players regardless of their athletic skill.
- We are committed to providing a learning environment through teaching and playing the sport of baseball that emphasizes sportsmanship, develops teamwork, and fosters a healthy competitive spirit.
- We are committed to a program that reflects the values and needs of all children and families in the league.
- As a Board of Directors, we are responsible to the players, parents, and community for the execution and continuous improvement of the program consistent with these core values and beliefs.

Mission

Our mission is to provide the facilities, community support, and adult leadership to:

- Establish the Piedmont Baseball and Softball leagues as the activity of choice for Hockessin area children in the 5-18 age group.
- Provide a diverse menu of competitive alternatives so that all children may reach their full athletic potential.
- Provide the necessary leadership and support for Piedmont Baseball and Softball teams to compete successfully in tournament play.
